

CALL FOR RESEARCH PARTICIPANTS

Exploring the Lived Experiences of Spiritually Oriented Women with Long COVID

You can participate if you **identify as a woman** who is **spiritual and/or religious**, and are between the ages of **18 and 64** with lived experience of **long COVID**.

This means you have symptoms that started after you had a **suspected or confirmed** positive COVID-19 test that have lasted **longer than 3 months**, and are a current or past patient of a **long COVID clinic/program** in Canada.

You can expect:

- to participate in **2** virtual interviews that will be around **60-90 minutes each**
- interviews to focus on your experiences with spirituality and/or religion and long COVID as a woman
- to review a written version of the interviews
- to receive a \$25 gift card per interview to honour your time

For more information or to participate, please contact the principal investigator:
