

PARTICIPANTS NEEDED FOR A RESEARCH STUDY

Long COVID-19 Fatigue: An Observational Study

Dr. Pavlos Bobos and his research team at Western University are seeking participants who experience post-COVID-19/Long COVID fatigue symptoms. They are conducting a study to follow the natural progression of Long-COVID and the costs of standard treatments over a 24-week period.

Are you:

- At least 18 years old?
- An English speaker?
- Experiencing fatigue after a COVID-19 infection?
- Able to access the internet and use videoconferencing technology?

If you are interested in participating or would like more information, please contact the research assistant, Nicole Billias at Nicole.Billias@sjhc.london.on.ca
